3. Firms having more than one individual in a particular category may develop a composite rate or a weighed average labor rate may be used instead. If more than one firm will provide services under a particular category, please divide the total estimated hours for that category among firms performing the work.

4. Assume eight-hour days for labor, no overtime.

5. Hourly rate shall include direct labor, salary overhead, general and administrative overhead and profit.

6. Total amount for each line item must be exact. DO NOT ROUND.
